S. C. MERCER, Editor.

## To Correspondents.

Our correspondents must allow us to take our own time for reading their communications. We have no time to be read to. It is literally impossible.

## Please Notice.

We have no time to transcribe communications. We sometimes receive communications with a scrap of confidential information written on the back of the manuscript. Of course if we use the manuscript we have to re-write it, and this imposes entirely too much labor on us. We have no time for such work.

## Notice to Club-Makers.

The Editor will be greatly obliged to persons making up clubs for the UNION if they will remit to the publishers and not to himself. Communications and subscriptions are sometimes mixed up with private information in such a manner as to cause needless delay and trouble to all parties.

## PROSPECTUS

of the  
NASHVILLE UNION.

The Nashville Union was commenced a few weeks since, for the purpose of opposing the Rebel Southern Confederacy, and of advocating the restoration of Federal authority, without any abatement, over all the States which have attempted to secede. It holds as friends all who support, and as foes all who oppose the Union of the States. It has no attachment but to the Union.

Volunteers and traitors have no compunctions in attacking the Federal Constitution and the Laws made in pursuance thereof as the *Southern Law of the Land*, anything in the Constitution and Laws of any of the States, to the contrary notwithstanding.

It contends for the Union of the States, because without it the preservation of our liberties and institutions and the organization of society itself are wholly impossible. Therefore, whatever state in the way of crushing out the rebellion and restoring the Union must perish, no matter by what name it be cast.

In the people of Tennessee, ever rewarded for their devotion to Liberty and Union, until they were betrayed to the rebel despotism at Richmond by a perverse Governor and corrupt Legislators, and who have filled their hearts with contempt and sneer, we appeal to the friends of justice and humanity, who have a sense of right and wrong, to let the world know, that the men who have plotted our ruin for their own aggrandizement have fastened to the pliers of shame, no matter how high their position to society. Let it be shown, how the so-called defenders of "Southern Rights" are now leading marching bands of free-booters and mass troopers over our State, kidnapping negroes, stealing horses and cattle, breaking into houses, burning railroad bridges and cars, and maiming unarmed citizens in cold blood. Let the truth, so long excluded by the feathers, complicitors, now circulate freely through every neighborhood, and our cause will surely triumph. Will not loyal men everywhere who did not do the dissemination of facts and the advocacy of Free Government?
